

CFP^{CM} Certification Renewal Policy and Guidelines on CE Requirements

A. CERTIFICATION RENEWAL AND ONGOING CERTIFICATION REQUIREMENTS

All CFP^{CM} certificants are required to renew their certification annually in order to continue using the CFP marks. To renew their certification, they must maintain technical competence and fulfill ethical obligations. They must complete a minimum of 15 credits of continuing education (CE) every year, in order to stay current with developments in the financial planning profession and better serve clients. Certificants who receive their certification after 1 July may complete a minimum of 7.5 CE credits to meet the renewal requirement for the first year (not applicable to new certificants upgraded from Associate (Graduate) member or Associate Personal Financial Planner (APFP)).

In addition to the annual continuing education requirement, all CFP certificants voluntarily disclose any public, civil, criminal or disciplinary actions that may have been taken against them during the previous year as part of the renewal process.

With the consent of all CFP certificants, IFPHK is able to disclose CFP certificants' certification status, date of certification, professional standing and history of disciplinary actions as a CFP certificant and the date of ceasing to be a CFP certificant (if applicable) to the public.

Renewal Period

The one year certification period is by calendar year, from 1 January to 31 December. All current CFP certificants must submit their completed and signed certification renewal application forms with appropriate fees to IFPHK before 31 December each year.

Late Application and Late Fee

CFP certificants who miss the renewal deadline on 31 December can still apply for renewal before end of February in the following year without seeking reinstatement by paying a late fee of HK\$200.

Current Reinstatement Policies

- ❑ Effective 1 January 2010, the maximum lapsed period for CFP certification has been extended from 1 year to 2 years with reinstatement fee of HK\$300 for the first year and HK\$600 for the second year.

Renewal Reminders and Notices

Several reminders will be sent to certificants reminding them of renewal and continuing education requirements prior to 31 December.

After the extended renewal deadline on 28 or 29 February, a deficiency notice will be sent to certificants whose renewal applications are outstanding, alerting them that their certifications are being temporarily suspended.

Before the certifications are lapsed for renewal for more than 1 year, a reminder will be sent to urge the certificants to do reinstatement within 1 year after certification expiration.

Before the certifications are lapsed for renewal for more than 2 years, a relinquishment reminder will be sent to prompt the certificants whose certifications are temporarily suspended that failure to reinstate before the next deadline will lead to relinquishment of their certifications.

If the certifications are let to be lapsed for more than 2 years, a notice will be sent to these former certificants that their certifications have been relinquished. They will need to retake and pass paper 4 of CFP certification examination within 5 years after certification expiration, and re-submit CFP certification application to IFPHK should they want to regain their certifications.

If the certifications are let to be lapsed for more than 5 years, the former CFP certificants are required to fulfill all the 4Es requirements again in order to regain the CFP certifications.

B. SUSPENSION OF CERTIFICATION AFTER ANNUAL RENEWAL DEADLINE

If a completed application is not received before the extended renewal deadline by the end of February in the following year, the CFP certificant will be considered as not having satisfied the renewal requirements and the certification will automatically be suspended. The list of "temporarily suspended CFP certificants" will be posted on IFPHK's website and published in our official publication for public's information. IFPHK may take any other actions it deems appropriate.

C. VOLUNTARY WITHDRAWAL

A CFP certificant may declare voluntary withdrawal by submitting a written request to IFPHK any time before the current certification expires.

If such request is not received before the extended certification renewal application deadline, it will be considered as “certification suspension” or “certification relinquishment” unless the reinstatement application is received with all renewal deficiencies being made up beforehand.

Reinstatement of voluntarily withdrawn certifications can be granted by IFPHK if the former certificants choose to do so within the first two years that they withdraw their certifications, and they must:

- Submit a completed CFP^{CM} Certification Reinstatement Form together with a completed CFP^{CM} Certification Renewal Application Form
- Pay appropriate certification fee for the year(s) lapsed
- Pay prevailing 1st or 2nd year reinstatement fee
- Fulfill the continuing education requirement for the year(s) lapsed
- Continue to adhere to IFPHK’s Code of Ethics and Professional Responsibility

Reinstatement of certifications is only allowed within the first two years of withdrawal of certifications. After that, the former certificants must retake and pass Paper 4 of CFP certification examination within 5 years after certification expiration, and re-submit CFP certification application to IFPHK in order to regain the CFP certification. After 5 years of certification expiration, the former CFP certificants have to fulfill all the 4Es requirements again in order to regain the CFP certifications.

D. EXEMPTION FROM CERTIFICATION RENEWAL REQUIREMENTS

Certificants who cannot comply with the renewal requirements for health reasons or other circumstances beyond their control can submit a written request to IFPHK for consideration. Such requests must include an explanatory letter and all applicable supporting documentation. These exception cases will be considered by the Executive Committee on a case-by-case basis.

In the event of hardship, concessionary fees will also be considered upon requests by certificants.
